4 December 2006

What a treat it was for my son Stuart (aged 8) and and for me to be given tickets to see the basketball game on Friday night.

We are from Cape Town, South Africa. We came to Iowa for Stuart to have an operation on his neck, and are staying at Ronald McDonald house for a total of about 5 weeks.

We really enjoyed seeing our first American basketball game, with plenty of music and cheerleading, and it was exciting to see the Iowa team win.

Stuart had his picture taken with the Iowa mascot and also with the cheerleaders - a great souvenir to take home!

Thank you for making the tickets available - it was one of the highlights of Stuart's trip.

Yours sincerely
The House that love built....

Priscilla Mordant
